### Be realistic about health service fees

**BY MICHELENE KUN**

**K**UCHING: Health Minister in the Prime Minister's Department, Tan Sri Dr. James Samy Kuching, said he is not in a hurry to raise the health service fees at government hospitals and clinics, which is currently at RM1 for Malaysian citizens and permanent residents.

“But he covers a range of services, including consultation, treatment, medication, and diagnostics.”

“The government has been considering raising the fee to offset the rising cost of healthcare and improve public healthcare services, but there are concerns about the negative impact on the lower-income group, particularly those in rural areas.”

“The rising cost of healthcare and improve public healthcare services, but there are concerns about the negative impact on the lower-income group, particularly those in rural areas.”

“The health Minister has indicated that the fee increase will be implemented in phases over a period of 20 years, and the cost of the matter, including the health financing scheme, would be carefully monitored.”

**Main road collapses: prompt repairs needed**

**BY MICHELENE KUN**

**K**UCHING: Road works maintenance team has started the job where the main road leading to Kuching 107111 collapsed.

He said the Bako-Weh line of road collapsed and was affected that there would be a construction accident arising.

“The report is under the jurisdiction of the road works.”

“The road was previously affected by heavy rain due to last night.”

### 1,440 students covered by insurance

**BY MICHELENE KUN**

**K**UCHING: A total of 1,440 students from four primary schools in the Sabah constituency were covered by the Standard Personal Accident Insurance Scheme, in a team working effort by Sabah Service Centre in partnership with Income Care.

The scheme was aimed at taking care of the student's well-being in the state.

Sabah Deputy Chief Minister, Datuk Seri Dr. Tiong Joo Koh, expressed his satisfaction with the initiative, saying that the scheme was essential to help the social responsibility towards the students in the Sabah constituency.

They addressed the students' diverse needs and provided comprehensive protection in the event of any accidents.

“The initiative of the insurance scheme is based on our concern and social responsibility towards students in the Sabah constituency, including practical students to the coverage provided by this.”
