

"From Sarawak to the World: Journey to Clean Energy Leadership"

► 15-16 JULY 2025 ► Borneo Convention Centre Kuching Sarawak, Malaysia

A Preview of Our Thought Leaders – And More to Come

The Right Honourable
Datuk Patinggi Tan Sri (Dr) Abang Haji
Abdul Rahman Zohari Bin Tun Datuk
Abang Haji Openg
Premier Of Sarawak

The Right Honourable
Dato' Sri Haji Fadillah
bin Haji Yusof
Deputy Prime Minister
& Minister of Energy
Transition and Water Transformation

The Honourable
Datuk Dr. Haji
Hazland bin Abg Haji Hipni
Deputy Minister, Ministry of
Energy and Environmental
Sustainability Sarawak

Tan Sri Abdul Rahman Mamat
Organising Chairman of IEW,
Informa Markets Malaysia

Dato Abang Arabi
Abang Narudin
Senior Vice President
Sarawak Resource Management
Petroleum Sarawak Berhad

Datuk Joseph Podtung
Senior Vice President
Growth Petroleum Sarawak
Berhad

Tan Sri Datuk Amar
(Dr.) Haji Abdul Aziz
Bin Dato Haji Husain
Chairman
Sarawak Economic
Development Corporation

Datuk Ir. (Dr.) Abdul Rahim
Hashim
FASc Independent Director

"From Sarawak to the World: Journey to Clean Energy Leadership"

► 15-16 JULY 2025 ► Borneo Convention Centre Kuching Sarawak, Malaysia

This theme highlights Sarawak's transformative journey towards becoming a global leader in clean energy. It showcases the state's commitment to sustainable energy solutions, regional collaboration, and innovations that drive a low-carbon future, contributing to global efforts in achieving a greener, more sustainable world.

DAY 1 | 15th JULY 2025 (Tuesday)

TIME	PROGRAMME
08.30a.m. – 09:00a.m.	Registration and Welcome Refreshment
09:00 a.m. – 09:10 a.m.	OPENING REMARKS The Honourable Datuk Dr Haji Hazland Bin Abg Haji Hipni Deputy Minister for Energy and Environmental Sustainability Sarawak
09:10 a.m. – 09:30 a.m.	PLENARY SESSION 1: Modernising Power Grids: Accelerating Renewable Energy Integration and Advancing Energy Storage Technologies Sarawak Hydro-Battery for Borneo H.E. Nineta Bărbulescu Ambassador of Romania Embassy of Romania in Malaysia
09:30 a.m. – 10:30 a.m.	PANEL DISCUSSION 1: Regional Energy Synergy: Advancing ASEAN Power Interconnectivity for a Resilient and Integrated Energy Network This session explores the strategic importance of enhancing energy connectivity across ASEAN nations to create a resilient, efficient and integrated energy network. With energy demands rising and sustainability goals becoming a priority, regional cooperation is essential for achieving collective energy security and transitioning to a low-carbon future. Moderator: Prihastya Wiratama Project Manager ASEAN Centre for Energy 1. Datuk Sharbini Suhaili Group Chief Executive Officer Sarawak Energy Berhad

2. Puah Kok Keong

Chief Executive
Energy Market Authority of Singapore

3. Jiyoung Kim

Senior Sales Manager
Honeywell International

4. Edwin Kong

Business Vice President, Power Systems
Schneider Electric

10:30 a.m. – 11:00 a.m.

PLENARY SESSION 2:

Powering Sarawak's Clean Energy Future: A Conversation on Tech, Talent & the Value Chain

Sarawak stands at the cusp of a transformative clean energy era, and this plenary conversation will illuminate the strategic pathways forward. We'll unpack the critical interplay of technology, talent development, and robust value chains in achieving sustainable growth. Examine global best practices and their applicability to Sarawak's unique energy landscape, focusing on innovative solutions and strategic partnerships. Join us to discover how fostering local expertise and strengthening industrial ecosystems can empower Sarawak to become a leading regional clean energy hub.

Chairperson:

Azli Mohamed

Managing Director
Siemens Energy Malaysia

Speaker:

Vivek Tanu Chauhan

Vice President, Head of Sales | Gas Services, Asia Pacific
Siemens Energy

11:00 a.m. – 11:50 a.m.

ENERGY LEADERS' ROUNDTABLE FORUM

TOPIC: ENERGY CONNECTIVITY & TECHNOLOGIES

Journey Towards Net Zero Carbon Future: Regional Challenges & Opportunities

This topic explores the collective pathways and strategies necessary to achieve a net-zero carbon future, focusing on the specific challenges and opportunities within a regional context. As countries worldwide pledge ambitious targets for reducing greenhouse gas emissions, this theme examines the challenges & opportunities

Moderator:

Prof. Ir. Ts. Dr. Sharifah Rafidah Binti Wan Alwi

Faculty of Chemical and Energy Engineering
Universiti Teknologi Malaysia

1. Nicolas Leong

Energy Business Director, Northeast and Southeast Asia
Wärtsilä

2. Andrew Chan

Sustainability and Climate Change Leader
PricewaterhouseCoopers

3. Charlotte Wolff-Bye

Vice President and Chief Sustainability Officer
PETRONAS, Malaysia

4. Basil Theckumpurath

Head of Genesis in Malaysia
Technip Energies

11:50 a.m. – 02:00 p.m.

Business Break & Networking Luncheon

02:00 p.m. – 02:45 p.m.

VISIONARY DIALOGUE:

Sarawak at the Forefront: Malaysia's Role in Driving Regional Clean Energy Leadership

Moderator:

Zahir Kelvin Ong Abdullah

Special Guest:

The Right Honourable Dato' Sri Haji Fadillah bin Haji Yusof
Deputy Prime Minister

Minister of Energy Transition and Water Transformation, Malaysia

02:45 p.m. – 03:35 p.m.

PANEL DISCUSSION 2:

Public-Private Partnerships for Clean Energy Transition: How Government and Businesses can Collaborate for a Sustainable Energy Future

This session will explore the critical role of Public-Private Partnerships (PPPs) in driving the clean energy transition and achieving long-term sustainability goals. By leveraging the strengths of both the public and private sectors, PPPs can mobilize resources, foster innovation, and overcome barriers to the widespread adoption of renewable energy solutions

Moderator:

Khairun Suffia Sulaiman

Market Intelligence Manager (CAPEX) – APAC & Interim Head of Consult, Energy Industries Council

1. YBhg. Tan Sri Datuk Amar (Dr.) Haji Abdul Aziz Bin Dato Haji Husain

Chairman
Sarawak Economic Development Corporation

2. Alia Jaafar

Trade and Investment Director – Malaysia
Investment NSW

3. Ng Boon Hui

Managing Partner
EY Parthenon, Malaysia

03:35 p.m. – 04:05 p.m.

PLENARY SESSION 3

Sarawak Gas Roadmap: Unlocking the Potential of Natural Gas for a Sustainable Future

This session focuses on Vision and Goals, Downstream and Upstream Development, Domestic Gas Utilization, Energy Transition and Decarbonization, Global Market Opportunities, Hydrogen Economy Integration, Strategic Partnerships and Challenges & Solutions

YBhg. Datuk Joseph Podtung

Senior Vice President, Growth
Petroleum Sarawak Berhad

04:05 p.m. – 04:50 p.m.

PANEL DISCUSSION 3

Spotlight: Unlocking Multidimensional Value – Hypernomics in Global Energy Transition Policy

This session focuses on the concept of “Hypernomics”, a comprehensive approach that integrates economic, environmental, and social considerations to create value in the global energy transition. The discussion will highlight how this multidimensional perspective can inform policy-making and strategic decisions to accelerate a sustainable energy future.

Moderator:

Viktoria Locson

Renewable Energy Lead - Asia
Blue Water Shipping

1. Ir. Dr. Sanjayan Velautham

Chief Operating Officer
Energy Commission

2. Ir Chu Wai Quan

Deputy Chief Executive Officer –
Planning and Economic Regulation
Energy Commission of Sabah

3. Guy Outen

Senior Advisor
Boston Consulting Group

05:00 p.m.

OFFICIAL LAUNCHING CEREMONY

05:15 p.m.

WELCOME REMARKS

Tan Sri Abdul Rahman Mamat
Chairman
Informa Markets Malaysia

05:20 p.m.

FIRESIDE CHAT

"FROM SARAWAK TO THE WORLD: JOURNEY TO CLEAN ENERGY LEADERSHIP"

Moderator:

Zahir Kelvin Ong Abdullah

Guest of Honour:

The Right Honourable Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari bin Tun Datuk Abang Haji Openg
The Premier of Sarawak

06:40 p.m.

End of IEW 2025 Summit (Day 1)

TIME	PROGRAMME
08:30 a.m. – 09:00 a.m.	Contact Break & Networking
09:00 a.m. – 9:40 a.m.	<p>PANEL DISCUSSION 4: Decarbonising Oil & Gas: Integrating CCUS Technologies for a Sustainable Energy Future</p> <p>This topic focuses on the critical role of Carbon Capture, Utilization, and Storage (CCUS) technologies in transforming the oil and gas sector towards sustainability. As the industry faces mounting pressure to reduce emissions, CCUS offers a pathway to Reduce Carbon Emissions, Enhance Resource Efficiency & Support Energy Transition</p> <p>Moderator: Ts. Amir Hisham Al-Bakri Oil & Gas and Energy Professional Kemuncak Lanai Sdn Bhd</p> <ol style="list-style-type: none">1. YBhg. Dato Abang Arabi Abang Narudin Senior Vice President Sarawak Resource Management Petroleum Sarawak Berhad2. Hanh Le Senior Advisor Asia Natural Gas & Energy Association (ANGEA), Singapore3. Diofanny Swandrina Putri Director – Indonesia & Regional CCS Strategic Initiative Indonesia CCS Centre4. Ahmad Fairuz Mohd Amin Director, Consultancy' Aker Solutions
09:40 a.m. -10:00 a.m.	<p>PLENARY SESSION 4: AI-Driven Smart Grids & Energy Management: Powering Efficiency and Profitability</p> <p>Vachan Alva General Manager, Head of Sales for Power, Renewables and Water Yokogawa Engineering Asia</p>
10:00 a.m. – 10:15 a.m.	AM Coffee Break
10:15 a.m. – 10:35 a.m.	<p>PLENARY SESSION 5: Catalysing Opportunities for OGSE in Sarawak</p> <p>Mustafa Akbar Reza Senior Vice President / Head, Operations Malaysia Petroleum Resources Corporation</p>

10:35 a.m. – 10:55 a.m.

PLENARY SESSION 6:

Pathways to Achieving Net-Zero Carbon in ASEAN

This topic explores Strategies and timelines for net-zero targets among ASEAN member states. Challenges and opportunities in transitioning to low-carbon energy systems and regional collaboration for carbon trading, financing, and technology sharing.

Dr Zulfikar Yurnaidi

Head of Energy Modelling,
Policy and Planning (MPP) Department
ASEAN Centre for Energy

10:55 a.m. – 11:15 a.m.

PLENARY SESSION 7:

Fusion Energy: Crossing the threshold to global energy market adoption by 2030

Christofer M. Mowry

Chief Executive Officer
Type One Energy

11:15 a.m. – 11:55 a.m.

PANEL DISCUSSION 5:

Harnessing AI for Accelerating Energy Transition: Innovations, Opportunities, and Challenges

This conference topic examines the transformative potential of artificial intelligence (AI) in accelerating the global energy transition toward a sustainable and decarbonized future. AI technologies are redefining how energy systems are planned, operated, and optimized. The discussion will focus on innovations, opportunities & challenges

Moderator:

Minda James Semilan

Head Of Digital Economy Project
Sarawak Digital Economy Corporation

1. Norzaidi Mohd Zahidin

Vice President, operations – Drilling Business
Velesto Energy Berhad

2. Azwan Baharuddin

Country Managing Director
Accenture

3. Ken Lim

Sales Leader – Asia Pacific Region
Nokia ECE

11:55 a.m. – 12:35 p.m.

PANEL DISCUSSION 6:

Energy Efficiency as the First Fuel: A Cornerstone of ASEAN's Energy Transition – Policies, Technologies, and Industrial Impact

This conference topic highlights the critical role of energy efficiency in driving ASEAN's energy transition and achieving sustainable economic growth. Energy efficiency often considered the "first fuel," offers the fastest and most cost-effective pathway to reducing energy demand and emissions. The discussion will focus on policies, technologies & industrial impact

Moderator:

Fairuz Yahaya

Managing Director

EXS Synergy

1. Ahmad Firdaus Kamarazaman

Deputy Director, Energy Conservation & Operation

Energy Commission

2. Mohd Iskandar Majidi

Principal Consultant and Director of Climate Plus Sdn Bhd

Malaysia Association of Energy Services Companies

4. Kaveta Chelliah

Head, Sustainability Engineering Solution

UEM Edgenta

12:35 p.m. – 02:00 p.m.

Contact Break & Networking

02:00 p.m. – 02:40 p.m.

PANEL DISCUSSION 7:

Scaling Bioenergy: Overcoming Policy, Market, and Technological Barriers

This conference topic explores the pivotal role of bioenergy in achieving sustainable energy transitions and reducing greenhouse gas emissions. Despite its potential, scaling bioenergy faces challenges that require coordinated efforts. The discussion will focus on Policy Barriers, Market Barriers & Technological Barriers

Moderator:

Mohd Dhiyaulhaq Bakhtiar

Business Development Manager

ABL Group

1. Stefan Boessner

Research Fellow and Policy Lead

Stockholm Environment Institute, Asia

2. Datuk Ir Abdul Rahim Hashim

Director

Malaysian Industry-Government Group for High Technology

3. Atsushi Kimura

Country Manager of Malaysia

IHI Corporation

4. Danial Chua

Project Coordinator

Craun Research

02:40 p.m. – 03:20 p.m.

TOPIC: WORKFORCE INNOVATION AND EMPOWERMENT

PANEL DISCUSSION 8:

Empowering the Next Generation for a Sustainable Energy Future

This topic focuses on the pivotal role of education, capacitybuilding, and youth engagement in shaping a sustainable energy future. As the world transitions to cleaner energy systems, the next generation will be at the forefront of driving innovation and implementing transformative solutions. The discussion will center on Education & Skill Development, Youth Leadership and Innovation & Global and Regional Collaboration

Moderator:

Ir. Ts. Dr. Angelia Liew San Chuin

Advisor on Climate Change, Energy, and Sustainable Development
Department of the Premier of Sarawak

1. Ts. Nizmar Mohd Nasar

Deputy Chief Executive Officer
Malaysia Automotive Robotics & IoT Institute

2. Abdul Hadi Ishak

Business Development Manager
Toshiba Transmission and Distribution Systems Asia

3. Professor Vincent Lee Chieng Chen

Interim Pro Vice-Chancellor, President, and Chief Executive
Curtin University, Malaysia

03:20 p.m. – 04:00 p.m.

TOPIC: FINANCING

PANEL DISCUSSION 9:

Collaborative Approaches to Financing the Net-Zero Transition

This conference topic addresses the critical need for innovative and collaborative financial strategies to support the global shift toward a net-zero economy. Achieving net-zero emissions requires substantial investment across sectors, which necessitates multistakeholder cooperation and creative financial solutions. The discussion will focus on Public-Private Partnerships (PPPs). Climate Finance Mechanisms, Innovative Financing Models & Policy and Regulatory Frameworks.

Moderator:

Nik Shahrizal

Partner
PricewaterhouseCoopers

1. Shew Heng

Head of Insights, Energy & Chemicals
UOB Malaysia

2. Tan Ai Chin

Managing Director, Senior Banker Coverage & Head of
Investment Banking
OCBC Bank (Malaysia) Berhad

3. Dr. Wei-nee Chen

Head, Carbon Market
Bursa Malaysia

4:00 p.m. – 04:10 p.m.

CLOSING REMARKS: SUMMARY AND FUTURE STEPS

The Honourable Datuk Dr. Hj. Hazland bin Abg Hj. Hipni
Deputy Minister of Energy and Environmental Sustainability,
Sarawak

END OF IEW SUMMIT 2025 (Exhibition continues Day 3)

*The programme is subject to change. Information updated as of 12 July 2025.
Panel of invited speakers is pending confirmation.

HRD CORP Claimable (Delegate Pass)

HRD Corp-registered employers can now claim their delegate ticket through the SBL (Skim Bantuan Latihan) Grant. Please note that approval is subject to PSMB conditions.

IEW 25 SUMMIT RATES

IEW Summit Delegate (Individual) - Standard

2 - Day Full Conference Access

3 - Day Full Exhibition Access

Includes Daily Networking Lunches, and Daily Coffee Breaks

MYR 1,950.00 / USD 420.00

IEW Summit Delegate - Government / Student

2 - Day Full Conference Access

3 - Day Full Exhibition Access

Includes Daily Networking Lunches and Daily Coffee Breaks

MYR 1,200.00

IEW Summit Delegate (Group Registration) - Standard

2 - Day Full Conference Access

3 - Day Full Exhibition Access

Receive a 10% discount on the group rate for a single transaction of four or more people. Separate registrations do not qualify.

Includes Daily Networking Lunches and Daily Coffee Breaks

MYR 1,755.00 / USD 378.00

JOIN US AT INTERNATIONAL ENERGY WEEK 2025

Be part of this pivotal gathering for key decision-makers in the energy and petroleum sectors across ASEAN countries.

The Summit will showcase international speakers and delegations from the region, with Malaysia as the host country, all aimed at fostering closer collaboration in clean energy, renewable energy, and zero-carbon development.

Mark your calendar and secure your participation today!
