

# SHOW PREVIEW

**IEW**  
INTERNATIONAL ENERGY WEEK

► **15-17 JULY 2025**  
► BORNEO CONVENTION CENTRE  
KUCHING, SARAWAK

In Association With

## "From Sarawak to the World: Journey to Clean Energy Leadership"

Welcome to the 6th International Energy Week (IEW) 2025, taking place from July 15–17 at the Borneo Convention Centre Kuching (BCCCK), Sarawak. Held under the theme "From Sarawak to the World: Journey to Clean Energy Leadership," this premier event will highlight Sarawak's rise as a leading clean energy hub in the Asia-Pacific region.

IEW 2025 will unite global energy leaders, policymakers, investors, and innovators, creating a dynamic platform to accelerate the clean energy transition. With an estimated USD 2.5 million in potential business opportunities, the event is poised to be a catalyst for regional growth and global collaboration.

Key highlights include the high-level IEW Summit with distinguished speakers and strategic discussions on grid modernisation, public-private partnerships, and workforce development. Attendees will gain valuable insights through Technical Talks led by industry experts, explore career pathways at the Future Horizon session by TALENT-CORP, and network in a relaxed setting at the MOGSC Networking Golf Tournament.

Step into the future of energy at IEW 2025. Discover how Sarawak is charting a bold path toward clean energy leadership, and connect with global changemakers shaping the industry.

**Be part of this transformative event!**

# Welcome Messages

"It is my pleasure to welcome you to the 6th edition of the International Energy Week (IEW) 2025 in Sarawak. Our theme, 'From Sarawak to the World: Journey to Clean Energy Leadership', emphasises our dedication to sustainability and energy innovation. Over the three dynamic days of this summit, we will explore ground-breaking advancements and engage in insightful discussions that shape the future of renewable solutions and zero-carbon development."

**YB Datuk Dr. Haji Hazland bin Abg Haji Hipni**

Deputy Minister for Energy and Environmental Sustainability Sarawak (MEESTy)

"IEW 2025 marks a pivotal moment for Southeast Asia's clean energy leadership. This transformative platform unites billion-dollar investments with innovative technologies and progressive policies. Sarawak's clean energy transition serves as a model for others. Through IEW 2025, we aim to share our insights while learning from global best practices, fostering partnerships for sustainable energy development across ASEAN and beyond."

**YBhg. Tan Sri Abdul Rahman Mamat**

Organising Chairman of IEW, Informa Markets Malaysia

## Event Highlights at IEW 2025

### Technical Talks

Industry experts from leading exhibitors will share cutting-edge insights into the latest advancements in energy technologies. These sessions aim to foster meaningful knowledge exchange and collaboration, driving innovation, accelerating progress, and equipping professionals to navigate emerging trends, solutions, and sustainable practices shaping the energy landscape.

### IEW Future Horizon by TALENTCORP

The Future Horizons Session inspires students to explore career pathways in the energy sector. From understanding key industry trends to discovering essential skills and opportunities in renewable energy, participants will gain valuable perspectives from industry experts on how they can contribute to a more sustainable tomorrow.

### Networking Golf by MOGSC

The MOGSC Exclusive Golf Tournament offers a unique opportunity to network and unwind during IEW 2025. Enjoy Sarawak's beautiful scenery while building valuable relationships with industry peers, partners, and stakeholders in a relaxed setting, opening doors for future collaboration.

# IEW SUMMIT 2025

The International Energy Week Summit 2025, themed "From Sarawak to the World: Journey to Clean Energy Leadership," will be a landmark two-day gathering on 15–16 July 2025, bringing together key decision-makers in the energy and petroleum sectors across ASEAN. Hosted by Malaysia, this summit will feature international speakers and regional delegations, all committed to accelerating collaboration in clean energy, renewables, and zero-carbon initiatives.
